

OUR COMMITMENT TO YOU

The Iowa Lacrosse Association (ILAX) is committed to providing these key benefits to its members:

PROMOTION: We want to help you grow the game. Whether it's helping your club or lacrosse organization grow or getting a new one started, ILAX is here to help with ideas, contacts and experience to support you.

EDUCATION: The sport of lacrosse is relatively new to Iowa so there is a limited amount of expertise in supporting the sport. ILAX will help your lacrosse organization develop that expertise through training of players, coaches, and officials.

COMMUNICATION: ILAX member organizations benefit from having a common place to identify issues, share ideas and information, request assistance, and cooperate in mutual ventures.

COMPETITION: As the sport grows in the state, ILAX will provide competition options for both boys and girls of all ages such as leagues and tournaments.

SPORTSMANSHIP: ILAX is dedicated to encouraging and fostering sportsmanship and fair play, helping member organizations emphasize important life skills.

For more information about ILAX, please visit our website or contact us at the addresses below:
